Postal code/town:

Dear customers,

according to §44 section 4a LFGB we are generally obliged to check the safety of a food or feed stuff as well as its ingredients according to Regulation (EG) 178/2002 Article 14 or 15 within the scope of the determined analysis results. In this context, we ask you to fill in the following questions completely and truthfully when ordering your sample(s) and to enclose the document with the order letter. This will allow us to evaluate in advance whether your samples need to be assessed in accordance with Regulation (EC) 178/2002 Article 14 or 15.

Thank you very much in advance for your support.

Sample description:

Sampling:

1 Was the sample taken in Germany (excluding customs warehouse/port of release)? yes no

Intended use of the sampled material:

- 2 Is the sampled material
- a food or feed product or an ingredient thereof?
(e.g. release testing, quality control) yes no
