In the AGROLAB **bottle set list** you find all the information regarding our bottles and the associated parameters. Take a look at our **manual** for the "correct use of the AGROLAB bottle set and transport system". You can find all documents in the download area on our [website](#).

For the delivery of samples to AGROLAB, please only use the bottles that we specify for this purpose, since we can only ensure the quality of the sampling, delivery and the subsequent analysis in this way. The bottles remain the property of AGROLAB.
